

VOLUNTEERING IN KINDERGARTEN

04.2026 - 12.2026

CALL FOR PARTICIPANTS

Who are we?

REGIONALNE CENTRUM WOLONTARIATU W GDAŃSKU

Hi! We are RCWG. Find out more about us:

We are an intermediary organization between volunteers and organizations that need volunteer support.

O U R M I S S I O N

We promote the idea of volunteering, implement projects to activate local communities and aim at changing the perception of volunteering - from the notion of social assistance activities to an informed citizen attitude.

We are the only organization of this kind in the city of Gdańsk (Poland) and the only organization supporting volunteering in the wider Pomeranian area.

Who are we?

In addition to running a volunteer agency, we organise various projects such as:

- ⌚ action volunteering supporting various types of events in Gdańsk
- ⌚ school volunteering
- ⌚ activation of senior citizen
- ⌚ employee volunteering

We work with volunteers of all ages, different capacities and with various professional or social statuses.

Foreign volunteering became one of the key-points of our development. Since 2018 we work with approx. 100 international volunteers from 19 countries!

Our organization operates in GDAŃSK (Poland), the capital of the Pomeranian Voivodeship.

It's located in the north, right by the Baltic sea.

With around 486.000 citizen, it's one of the largest Polish cities.

ABOUT THE KINDERGARTEN

Kindergarten No. 41 is located in Gdańsk. Kindergarten is attended by 100 children aged 3 to 6, including 18 children of other nationalities (from Ukraine, Belarus and Russia). The tasks of the kindergarten include: supporting the child's multidirectional activity by organizing conditions conducive to acquiring experience in the physical, emotional, social and cognitive area of his development.

Kindergarten No 41

Address: ul.Głęboka 19,
80-759 Gdańsk

Kindergarten creates conditions that allow children to develop freely, play and rest in a sense of security, strengthening the child's sense of value, individuality, originality and the need to create personal relationships and participation in a group, creating situations conducive to the development of habits and behaviors leading to independence, taking care of health, mobility and safety and taking care of mental health, stimulating the development of sensitivity and enabling learning about values and standards relating to the natural environment.

ABOUT THE KINDERGARTEN

Kindergarten No. 86 in Gdańsk blends tradition with modernity. As the first facility in the city, we have an Art Studio that fosters creativity and passion in young children. We combine proven educational methods with the latest technologies – each classroom is equipped with Samsung FLIP interactive boards, supporting innovative learning approaches. We create a friendly and inspiring environment where children can develop their talents and interests. With over two years of experience hosting international volunteers, we enrich our daily activities with fresh perspectives and new inspirations.

Volunteer tasks at Kindergarten No. 86 in Gdańsk:

- Assisting teachers with daily activities in the classroom.
- Playing with children to support their development and creativity.
- Teaching simple words in English and the volunteer's native language through games, songs, and interactive activities.
- Participating in outings and trips, helping with child supervision and organizing activities outside the kindergarten.

Our volunteers have full freedom to organize activities based on their interests and skills (always in agreement with the teachers). Additionally, we provide delicious meals, ensuring that each day at our kindergarten is filled not only with joy but also with tasty food!
